

PROJECT PROFILE

Project:

Wegmans Food Markets, Inc.

Location:

Allentown, PA

H&K Company:

Lehigh Valley Division
Easton, PA

Project Info:

- Work area consisted of (8) mill/pave phases
- 29,700 SY of 1.5" mill for all phases and overlaid/leveled with 3,709 tons of 9.5 MM wearing
- (9) concrete aprons with new frames & grates
- New 1,740 SF concrete dolly/dumpster pad including catwalk work at rear of store
- (29) posts installed to provide new and additional handicap parking along with "Mothers with Children" parking
- All new lot striping (stop bars, double yellow, parking spaces, etc.)

Project Highlights:

This project's tight schedule was met while working around other subcontractor work areas and weather issues. It required Lehigh Valley Division to maintain 24/7 customer access to the store and limit the number of occupied parking spaces per phase due to large volume of customer traffic.
