To whom it may concern,

This letter is in support of "The Reserve at Cornwall" project for the Cornwall area. Byler Management and Iron Valley Golf Club feel this would be a great benefit to the area residents and the greater Lebanon region.

H & K's open approach to the project has allowed residents and community members to help shape the project as it stands today. As a result, the final product represents something that will enhance Cornwall Borough for generations to come.

It has been a pleasure for Byler Management and Iron Valley Golf Club to be involved with H & K for this project and we look forward to working with them to complete the project.

Respectfully Submitted,

Jonathan L. Byler
