H&K GROUP, INC. MAKES NEWSWEEK 'AMERICA'S GREATEST WORKPLACES FOR PARENTS & FAMILIES 2024'

Skippack, PA – We are thrilled to report that [Newsweek](#) has just released its list of [America's Greatest Workplaces for Parents & Families 2024](#), and [H&K Group, Inc. \(H&K\)](#) has made the list!

H&K is one of 18 Pennsylvania-based mid-sized companies (1,000-4,999 employees) to be included in *Newsweek's* list, which ranks companies across all 50 states. Notably, H&K is the only heavy civil contracting and construction materials company from Pennsylvania to make the list.

Nationwide, a total of 548 mid-sized companies made this market research list. *Newsweek* also ranked large-size (5,000+ employees) and small-size (500-999 employees) companies as well. This is *Newsweek's* second annual ranking of America's Greatest Workplaces for Parents & Families, and for 2024, 1,000 companies made the overall list.

Newsweek based their data on input from more than 113,00 working parents, who provided over 693,000 company reviews nationwide. *Newsweek* utilized a search engine for collecting private company data, provided by [Plant-A Insights Group](#), which documented key indicators relating to how parents feel about their workplace – including working environment, compensation and benefits, and work-life balance.
