Skippack, PA - In direct response to expanding project workload in its Northeast PA Operating Region, H&K Group, Inc. (H&K) held an extremely successful, multi-divisional Job Fair on Saturday, August 5th, 2023.

Hosted at 280 Main Street in Hallstead, PA, hiring managers conducted interviews to fill numerous full-time positions in the trades, skilled/technical and professional employment levels. In attendance to conduct same-day interviews were managers from many of H&K's heavy civil contracting affiliates. Hiring managers filled 26 key positions on August 5th, with vital roles being filled in the following areas: Bridge Carpenter, Bridge Laborer, Driver, Excavator/Demolition Operator, Heavy Equipment Operator, Laborer, Laborer Trainee, and Project Manager.
