## **ROLLING STARTUP DATES ANNOUNCED FOR H&K GROUP ASPHALT PLANT FACILITIES**

Skippack, PA – Spring has finally arrived and [The H&K Group's Materials Division](#) is pleased to publish official opening dates for many of its asphalt plant facilities.

Company officials have announced asphalt plant opening dates and rolling startups running through April 16, 2018. Customers and clients are advised to review the attached table entitled, **2018 H&K Group Asphalt Plant Opening Dates**, for specific startup dates per H&K Group facility location. Note that state approvals also vary per location and customers are advised to contact their specific H&K Group facility location for confirmation and additional information.

The H&K Group presently owns and operates 20 [hot mix asphalt plant facilities](#) located throughout Eastern Pennsylvania, New Jersey and Delaware. Our state-of-the-art asphalt facilities can produce a wide range of mix designs, including: Superpave, Warm-Mix Asphalt, Red Top, Airport Mix, Custom Mix Designs and much more. Our asphalt plants specialize in providing high quality asphalt mixtures for commercial, industrial and residential paving projects as well as construction and reconstruction of municipal and state highways.

In addition to providing asphalt materials, The H&K Group also owns and operates [23 crushed stone quarries](#), [2 stone depots](#) and [10 heavy civil contracting divisions](#) dedicated to providing construction materials and the experience and resources required to manage all of your [Asphalt Paving Repair & Maintenance](#) needs. From total reconstruction of multi-acre parking facilities to small asphalt patch and repair projects, The H&K Group has the flexibility and resources to manage any range in work scope.

Individuals inquiring about H&K Group asphalt or aggregate products, paving services or heavy civil construction services are advised to contact their preferred H&K Group facility or salesperson to discuss individual project requirements. Our asphalt plants, crushed stone facilities and paving crews are standing by eagerly awaiting your call.

The H&K Group Family of Companies provide [heavy civil contracting and construction services](#), [construction and building materials](#), and [associated ancillary services](#) through 85 operations in three states including eastern PA, NJ and DE.
